| Clonality                   | Polyclonal                                                                                                                                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                  |
| Isotype                     | IgG                                                                                                                                                                                                                 |
| Conjugate                   | DyLight 350                                                                                                                                                                                                         |
| Purity                      | Peptide affinity purified                                                                                                                                                                                           |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                  |
| Product Description         |                                                                                                                                                                                                                     |
| Host                        | Rabbit                                                                                                                                                                                                              |
| Gene ID                     | 85455                                                                                                                                                                                                               |
| Gene Symbol                 | DISP2                                                                                                                                                                                                               |
| Species                     | Human                                                                                                                                                                                                               |
| Reactivity Notes            | 0                                                                                                                                                                                                                   |
| Specificity/Sensitivity     | DISP2 antibody is human specific. At least two isoforms of Disp2 are known to exist. DISP2 antibody is predicted to not cross-react with Disp1 or Disp3.                                                            |
| Immunogen                   | DISP2 antibody was raised against an 18 amino acid synthetic peptide near the amino terminus of human DISP2. The immunogen is located within amino acids 110 - 160 of DISP2. Amino Acid Sequence: SPSPAPSQRDGTWKPPA |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                   |
| Product Application Details |                                                                                                                                                                                                                     |
| Applications                | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                                          |
| Recommended Dilutions       | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                              |
