| Clonality                   | Polyclonal                                                                                                                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                               |
| Isotype                     | IgG                                                                                                                                                                                              |
| Conjugate                   | Allophycocyanin                                                                                                                                                                                  |
| Purity                      | Peptide affinity purified                                                                                                                                                                        |
| Buffer                      | PBS                                                                                                                                                                                              |
| Product Description         |                                                                                                                                                                                                  |
| Host                        | Rabbit                                                                                                                                                                                           |
| Gene ID                     | 57761                                                                                                                                                                                            |
| Gene Symbol                 | TRIB3                                                                                                                                                                                            |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                |
| Specificity/Sensitivity     | TRIB3 antibody is human, mouse and rat reactive. At least two isoforms of TRIB3 are known to exist; this antibody will detect both isoforms.                                                     |
| Immunogen                   | TRIB3 antibody was raised against a 17 amino acid peptide near the center of human TRIB3. The immunogen is located within amino acids 100 - 150 of TRIB3. Amino Acid Sequence: EPYARLPPhKHVARPTE |
| Product Application Details |                                                                                                                                                                                                  |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry                                                                                 |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                           |
