| Product Description         |                                                                                                                                                                                                                                                            |
| Description                 | Novus Biologicals Rabbit ZFP36L1 Antibody - BSA Free (NBP2-86903) is a polyclonal antibody validated for use in WB. All Novus Biologicals antibodies are covered by our 100% guarantee.                                                                    |
| Host                        | Rabbit                                                                                                                                                                                                                                                     |
| Gene ID                     | 677                                                                                                                                                                                                                                                        |
| Gene Symbol                 | ZFP36L1                                                                                                                                                                                                                                                    |
| Species                     | Human                                                                                                                                                                                                                                                      |
| Immunogen                   | The immunogen is a synthetic peptide directed towards the N-terminal region of human ZFP36L1. Peptide sequence:<br>GGGFPRRHSTLPSSKFHQNQLSSLKGEPAPALSSRDSRFRDRSFSEGG<br>The peptide sequence for this immunogen was taken from within the described region. |
| Product Application Details |                                                                                                                                                                                                                                                            |
| Applications                | Western Blot                                                                                                                                                                                                                                               |
| Recommended Dilutions       | Western Blot 1.0 ug/ml                                                                                                                                                                                                                                     |

## Images

Western Blot: ZFP36L1 Antibody [NBP2-86903] - Host: Rabbit. Target Name: ZFP36L1. Sample Tissue: Human HepG2 Whole Cell. Antibody Dilution: 1ug/ml

Western Blot: ZFP36L1 Antibody [NBP2-86903] - Host: Rabbit. Target Name: ZFP36L1. Sample Tissue: Human 293T. Antibody Dilution: 1.0ug/ml

### ZFP36L1

Western Blot: ZFP36L1 Antibody [NBP2-86903] - Host: Rabbit. Target: ZFP36L1. Positive control (+): MCF7 (N10). Negative control (-): 293T (2T). Antibody concentration: 1ug/ml
