| <b>Unit Size</b>     | 100 ul                                                                                 |
| <b>Concentration</b> | 0.5 mg/ml                                                                              |
| <b>Storage</b>       | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles. |
| <b>Clonality</b>     | Polyclonal                                                                             |
| <b>Preservative</b>  | 0.09% Sodium Azide                                                                     |
| <b>Purity</b>        | Affinity purified                                                                      |
| <b>Buffer</b>        | PBS, 2% Sucrose                                                                        |

**Product Description**

|                    |                                                                                                                                                                                                                                                         |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Host</b>        | Rabbit                                                                                                                                                                                                                                                  |
| <b>Gene ID</b>     | 51144                                                                                                                                                                                                                                                   |
| <b>Gene Symbol</b> | HSD17B12                                                                                                                                                                                                                                                |
| <b>Species</b>     | Human                                                                                                                                                                                                                                                   |
| <b>Immunogen</b>   | The immunogen is a synthetic peptide directed towards the C-terminal region of Human HSD17B12. Peptide sequence: KTVGLQSRTNGYLIHALMGSIISNLPSWIYLKIVMNMNKSTRAHYLKGTK The peptide sequence for this immunogen was taken from within the described region. |

**Product Application Details**

|                              |                        |
|------------------------------|------------------------|
| <b>Applications</b>          | Western Blot           |
| <b>Recommended Dilutions</b> | Western Blot 1.0 ug/ml |

**Images**

Western Blot: HSD17B12 Antibody [NBP2-87605] - Host: Rabbit. Target Name: DHB12. Sample Type: Fetal Liver lysates. Antibody Dilution: 1.0ug/ml
