| Product Description         |                                                                                                                                                                                                                                                 |
| Description                 | Novus Biologicals Rabbit PER2 Antibody - BSA Free (NBP2-88036) is a polyclonal antibody validated for use in WB. All Novus Biologicals antibodies are covered by our 100% guarantee.                                                            |
| Host                        | Rabbit                                                                                                                                                                                                                                          |
| Gene ID                     | 8864                                                                                                                                                                                                                                            |
| Gene Symbol                 | PER2                                                                                                                                                                                                                                            |
| Species                     | Human                                                                                                                                                                                                                                           |
| Immunogen                   | The immunogen is a synthetic peptide directed towards the middle region of human PER2. Peptide sequence: VAECVYCENKEKGNICIPYEEDIPSLGLSEVSDTKEDENGSPLNHRIEEQ The peptide sequence for this immunogen was taken from within the described region. |
| Product Application Details |                                                                                                                                                                                                                                                 |
| Applications                | Western Blot                                                                                                                                                                                                                                    |
| Recommended Dilutions       | Western Blot 1.0 ug/ml                                                                                                                                                                                                                          |

## Images

Western Blot: PER2 Antibody [NBP2-88036] - WB Suggested Anti-PER2 Antibody Titration: 0.2-1 ug/ml. ELISA Titer: 1:12500. Positive Control: Human Placenta

Western Blot: PER2 Antibody [NBP2-88036] - Host: Rabbit. Target Name: PER2. Sample Tissue: Human THP-1 Whole Cell. Antibody Dilution: 2ug/ml

Western Blot: PER2 Antibody [NBP2-88036] - Host: Rabbit. Target Name: PER2. Sample Type: Human Hela. Antibody Dilution: 1.0ug/ml
