Dicer Antibody [Janelia Fluor® 669]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Polyclonal                                                                                  |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Conjugate           | Janelia Fluor 669                                                                           |
| Purity              | Immunogen affinity purified                                                                 |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                                                 |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Host                | Rabbit                                                                                                                          |
| Gene ID             | 23405                                                                                                                           |
| Gene Symbol         | DICER1                                                                                                                          |
| Species             | Human, Mouse, Rat                                                                                                               |
| Immunogen           | Partial synthetic peptide made to an internal portion of the human Dicer protein (between amino acids 450-500) [UniProt Q9UPY3] |
| Notes               | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                           |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Immunohistochemistry      |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
