| Clone                       | 403                                                                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                                                                      |
| Isotype                     | IgG                                                                                                                                     |
| Conjugate                   | DyLight 680                                                                                                                             |
| Purity                      | Protein A purified                                                                                                                      |
| Buffer                      | 50mM Sodium Borate                                                                                                                      |
| Product Description         |                                                                                                                                         |
| Host                        | Rabbit                                                                                                                                  |
| Gene ID                     | 1010                                                                                                                                    |
| Gene Symbol                 | CDH12                                                                                                                                   |
| Species                     | Human                                                                                                                                   |
| Specificity/Sensitivity     | No cross-reactivity in ELISA with:<br><br>Human Cad6<br>Human Cad8<br>Human E-Cad<br>Human Cad4                                         |
| Immunogen                   | This antibody was obtained from a rabbit immunized with purified, recombinant Human Cadherin-12 (Accession#: NP_001783.2; Met1-Ala605). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                       |
| Product Application Details |                                                                                                                                         |
| Applications                | ELISA                                                                                                                                   |
| Recommended Dilutions       | ELISA                                                                                                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                  |
