# NBP2-89572APC

FGF-10 Antibody (014) [Allophycocyanin]

| 1 G1 - 10 Antibody (014) [Allopi   | iyoocyaniinj  |
|------------------------------------|---|
| Product Information                |   |
| Unit Size                          | 0.1 ml  |
| Concentration                      | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                            | Store at 4C in the dark.  |
| Clonality                          | Monoclonal  |
| Clone                              | 014   |
| Preservative                       | 0.05% Sodium Azide  |
| Isotype                            | IgG   |
| Conjugate                          | Allophycocyanin   |
| Purity                             | Protein A purified  |
| Buffer                             | PBS   |
| <b>Product Description</b>         |   |
| Host                               | Rabbit  |
| Gene ID                            | 2255  |
| Gene Symbol                        | FGF10   |
| Species                            | Human   |
| Immunogen                          | This antibody was obtained from a rabbit immunized with purified, recombinant Human FGF-10 (Accession#: NP_004456.1; Gln38-Ser208). |
| <b>Product Application Details</b> |   |
| Applications                       | ELISA   |
| Recommended Dilutions              | ELISA   |
| Application Notes                  | Ontimal dilution of this antibody should be experimentally determined   |

| Applications          | ELISA  |
|-----------------------|--|
| Recommended Dilutions | ELISA  |
| Application Notes     | Optimal dilution of this antibody should be experimentally determined. |
|                       |  |
