CXADR Antibody (023) [DyLight 550]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 023                                                                                         |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | DyLight 550                                                                                 |
| Purity              | Protein A purified                                                                          |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                                                   |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Host                | Rabbit                                                                                                                            |
| Gene ID             | 1525                                                                                                                              |
| Gene Symbol         | CXADR                                                                                                                             |
| Species             | Human                                                                                                                             |
| Immunogen           | This antibody was obtained from a rabbit immunized with purified, recombinant Human CXADR (Accession#: NP_001329.1; Met1-Gly237). |
| Notes               | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                 |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA, Sandwich ELISA Capture                                          |
| Recommended Dilutions       | ELISA, Sandwich ELISA Capture                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
