| Conjugate                          | mFluor Violet 610 SE                                                                                                                                                                                                                  |
| Purity                             | Protein A purified                                                                                                                                                                                                                    |
| Buffer                             | 50mM Sodium Borate                                                                                                                                                                                                                    |
| Product Description                |                                                                                                                                                                                                                                       |
| Host                               | Rabbit                                                                                                                                                                                                                                |
| Gene ID                            | 2263                                                                                                                                                                                                                                  |
| Gene Symbol                        | FGFR2                                                                                                                                                                                                                                 |
| Species                            | Human                                                                                                                                                                                                                                 |
| Specificity/Sensitivity            | No cross-reactivity in ELISA with:  Human FGFR1 / CD331 Human FGFR4 / CD334                                                                                                                                                           |
| Immunogen                          | This antibody was obtained from a rabbit immunized with purified, recombinant Human FGFR2 extracellular domain (Accession#: NP_000132.3; Met 1-Glu 377).                                                                              |
| Notes                              | mFluor(TM) is a trademark of AAT Bioquest, Inc. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |
| <b>Product Application Details</b> |                                                                                                                                                                                                                                       |
| Applications                       | ELISA                                                                                                                                                                                                                                 |
| Recommended Dilutions              | ELISA                                                                                                                                                                                                                                 |
| Application Notes                  | Ontimal dilution of this antibody should be experimentally determined                                                                                                                                                                 |

| Application Notes     | Optimal dilution of this antibody should be experimentally determined. |
