## NBP2-89783FR

VLDLR Antibody (011) [DyLight 680]

| VEDER Antibody (011) [Dyeight 660] |   |
|------------------------------------|---|
| Product Information                |   |
| Unit Size                          | 0.1 ml  |
| Concentration                      | Please see the vial label for concentration. If unlisted please contact technical services.                                       |
| Storage                            | Store at 4C in the dark.  |
| Clonality                          | Monoclonal  |
| Clone                              | 011   |
| Preservative                       | 0.05% Sodium Azide  |
| Isotype                            | IgG   |
| Conjugate                          | DyLight 680   |
| Purity                             | Protein A purified  |
| Buffer                             | 50mM Sodium Borate  |
| Product Description                |   |
| Host                               | Rabbit  |
| Gene ID                            | 7436  |
| Gene Symbol                        | VLDLR   |
| Species                            | Human   |
| Immunogen                          | This antibody was obtained from a rabbit immunized with purified, recombinant Human VLDLR (Accession#: NP_003374.3; Met1-Ser797). |
| Notes                              | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.   |
| Product Application Details        |   |
| Applications                       | ELISA   |
| Recommended Dilutions              | ELISA   |
| Application Notes                  | Optimal dilution of this antibody should be experimentally determined.  |
|                                    |   |
