**NBP2-90016PE**

Aminopeptidase P2/XPNPEP2 Antibody (108) [PE]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 108                                                                                         |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | PE                                                                                          |
| Purity              | Protein A purified                                                                          |
| Buffer              | PBS                                                                                         |

| Product Description |                                                                                                                                                |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                | Rabbit                                                                                                                                         |
| Gene ID             | 7512                                                                                                                                           |
| Gene Symbol         | XPNPEP2                                                                                                                                        |
| Species             | Human                                                                                                                                          |
| Immunogen           | This antibody was obtained from a rabbit immunized with purified, recombinant Human Aminopeptidase P2/XPNPEP2 (Uniprot#: O43895; Met1-Ala650). |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA, Sandwich ELISA Capture                                          |
| Recommended Dilutions       | ELISA, Sandwich ELISA Capture                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
