| Preservative                | 0.05% Sodium Azide                                                                                                          |
| Isotype                     | IgG                                                                                                                         |
| Conjugate                   | DyLight 350                                                                                                                 |
| Purity                      | Protein A purified                                                                                                          |
| Buffer                      | 50mM Sodium Borate                                                                                                          |
| Product Description         |                                                                                                                             |
| Host                        | Rabbit                                                                                                                      |
| Gene ID                     | 3297                                                                                                                        |
| Gene Symbol                 | HSF1                                                                                                                        |
| Species                     | Human                                                                                                                       |
| Immunogen                   | This antibody was obtained from a rabbit immunized with purified, recombinant Human HSF1 (Uniprot#: Q00613-1; Asp2-Ser529). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                           |
| Product Application Details |                                                                                                                             |
| Applications                | ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                |
| Recommended Dilutions       | ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                      |
