S100P Antibody (116) [FITC]

| <b>Product Information</b>         |                                                                                                                           |
|------------------------------------|---------------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>                   | 0.1 ml                                                                                                                    |
| <b>Concentration</b>               | Please see the vial label for concentration. If unlisted please contact technical services.                               |
| <b>Storage</b>                     | Store at 4C in the dark.                                                                                                  |
| <b>Clonality</b>                   | Monoclonal                                                                                                                |
| <b>Clone</b>                       | 116                                                                                                                       |
| <b>Preservative</b>                | 0.05% Sodium Azide                                                                                                        |
| <b>Isotype</b>                     | IgG                                                                                                                       |
| <b>Conjugate</b>                   | FITC                                                                                                                      |
| <b>Purity</b>                      | Protein A purified                                                                                                        |
| <b>Buffer</b>                      | PBS                                                                                                                       |
| <b>Product Description</b>         |                                                                                                                           |
| <b>Host</b>                        | Rabbit                                                                                                                    |
| <b>Gene ID</b>                     | 6286                                                                                                                      |
| <b>Gene Symbol</b>                 | S100P                                                                                                                     |
| <b>Species</b>                     | Human                                                                                                                     |
| <b>Specificity/Sensitivity</b>     | No cross-reactivity in ELISA with:<br><br>Human S100A1<br>Mouse S100A9<br>Human S100A11<br>Human S100A9<br>Human S100A10  |
| <b>Immunogen</b>                   | This antibody was obtained from a rabbit immunized with purified, recombinant Human S100P (Uniprot#: P25815; Met1-Lys95). |
| <b>Product Application Details</b> |                                                                                                                           |
| <b>Applications</b>                | Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                     |
| <b>Recommended Dilutions</b>       | Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                     |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                    |
