IgJ Antibody (027) [Allophycocyanin]

| Product Information         |                                                                                                                                  |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                           |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                      |
| Storage                     | Store at 4C in the dark.                                                                                                         |
| Clonality                   | Monoclonal                                                                                                                       |
| Clone                       | 027                                                                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                                                               |
| Isotype                     | IgG                                                                                                                              |
| Conjugate                   | Allophycocyanin                                                                                                                  |
| Purity                      | Protein A purified                                                                                                               |
| Buffer                      | PBS                                                                                                                              |
| Product Description         |                                                                                                                                  |
| Host                        | Rabbit                                                                                                                           |
| Gene ID                     | 3512                                                                                                                             |
| Gene Symbol                 | JCHAIN                                                                                                                           |
| Species                     | Human                                                                                                                            |
| Immunogen                   | This antibody was obtained from a rabbit immunized with purified, recombinant Human IgJ (Accession#: NP_653247.1; Gln23-Asp159). |
| Product Application Details |                                                                                                                                  |
| Applications                | ELISA                                                                                                                            |
| Recommended Dilutions       | ELISA                                                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                           |
