| Conjugate                   | Biotin                                                                                                                                         |
| Purity                      | Protein A purified                                                                                                                             |
| Buffer                      | PBS                                                                                                                                            |
| Product Description         |                                                                                                                                                |
| Host                        | Rabbit                                                                                                                                         |
| Species                     | E. coli                                                                                                                                        |
| Immunogen                   | This antibody was obtained from a rabbit immunized with purified, recombinant E. coli Aconitate hydratase B (Uniprot#: P36683; Met 1-Val 865). |
| Product Application Details |                                                                                                                                                |
| Applications                | ELISA                                                                                                                                          |
| Recommended Dilutions       | ELISA                                                                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                         |
