Biliverdin Reductase B/BLVRB Antibody (009) [Janelia Fluor® 669]

**Product Information**

|                      |                                                                                             |
|----------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 0.1 ml                                                                                      |
| <b>Concentration</b> | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>       | Store at 4C in the dark.                                                                    |
| <b>Clonality</b>     | Monoclonal                                                                                  |
| <b>Clone</b>         | 009                                                                                         |
| <b>Preservative</b>  | 0.05% Sodium Azide                                                                          |
| <b>Isotype</b>       | IgG                                                                                         |
| <b>Conjugate</b>     | Janelia Fluor 669                                                                           |
| <b>Purity</b>        | Protein A purified                                                                          |
| <b>Buffer</b>        | 50mM Sodium Borate                                                                          |

**Product Description**

|                    |                                                                                                                                                   |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Host</b>        | Rabbit                                                                                                                                            |
| <b>Gene ID</b>     | 645                                                                                                                                               |
| <b>Gene Symbol</b> | BLVRB                                                                                                                                             |
| <b>Species</b>     | Human                                                                                                                                             |
| <b>Immunogen</b>   | This antibody was obtained from a rabbit immunized with purified, recombinant Human Biliverdin Reductase B/BLVRB (Uniprot#: P30043; Ala2-Gln206). |
| <b>Notes</b>       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                             |

**Product Application Details**

|                              |                                                                        |
|------------------------------|------------------------------------------------------------------------|
| <b>Applications</b>          | Western Blot, ELISA, Immunoprecipitation                               |
| <b>Recommended Dilutions</b> | Western Blot, ELISA, Immunoprecipitation                               |
| <b>Application Notes</b>     | Optimal dilution of this antibody should be experimentally determined. |
