**NBP2-90554V****Carboxypeptidase B1/CPB1 Antibody (008) [DyLight 405]**

| <b>Product Information</b> |                                                                                             |
|----------------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>           | 0.1 ml                                                                                      |
| <b>Concentration</b>       | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>             | Store at 4C in the dark.                                                                    |
| <b>Clonality</b>           | Monoclonal                                                                                  |
| <b>Clone</b>               | 008                                                                                         |
| <b>Preservative</b>        | 0.05% Sodium Azide                                                                          |
| <b>Isotype</b>             | IgG                                                                                         |
| <b>Conjugate</b>           | DyLight 405                                                                                 |
| <b>Purity</b>              | Protein A purified                                                                          |
| <b>Buffer</b>              | 50mM Sodium Borate                                                                          |

| <b>Product Description</b> |                                                                                                                                                      |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Host</b>                | Rabbit                                                                                                                                               |
| <b>Gene ID</b>             | 1360                                                                                                                                                 |
| <b>Gene Symbol</b>         | CPB1                                                                                                                                                 |
| <b>Species</b>             | Mouse                                                                                                                                                |
| <b>Immunogen</b>           | This antibody was obtained from a rabbit immunized with purified, recombinant Mouse Carboxypeptidase B1/CPB1 (Accession#: NP_083982.1; Met1-Tyr415). |
| <b>Notes</b>               | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                    |

| <b>Product Application Details</b> |                                                                        |
|------------------------------------|------------------------------------------------------------------------|
| <b>Applications</b>                | ELISA, Sandwich ELISA Detection                                        |
| <b>Recommended Dilutions</b>       | ELISA, Sandwich ELISA Detection                                        |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined. |
