## NBP2-90914G

CD68/SR-D1 Antibody (001) [DyLight 488]

| CD68/SR-D1 Antibody (001) [DyLight 488] |   |
|---|---|
| Product Information                     |   |
| Unit Size                               | 0.1 ml  |
| Concentration                           | Please see the vial label for concentration. If unlisted please contact technical services.                                   |
| Storage                                 | Store at 4C in the dark.  |
| Clonality                               | Monoclonal  |
| Clone                                   | 001   |
| Preservative                            | 0.05% Sodium Azide  |
| Isotype                                 | IgG   |
| Conjugate                               | DyLight 488   |
| Purity                                  | Protein A purified  |
| Buffer                                  | 50mM Sodium Borate  |
| Product Description                     |   |
| Host                                    | Rabbit  |
| Gene ID                                 | 968   |
| Gene Symbol                             | CD68  |
| Species                                 | Rat   |
| Immunogen                               | This antibody was obtained from a rabbit immunized with purified, recombinant Rat CD68/SR-D1 (Uniprot#: Q4FZY1; Met1-Ser295). |
| Notes                                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.   |
| Product Application Details             |   |
| Applications                            | Immunohistochemistry-Paraffin   |
| Recommended Dilutions                   | Immunohistochemistry-Paraffin   |
| Application Notes                       | Optimal dilution of this antibody should be experimentally determined.  |
