# NBP2-97848APC

**Application Notes** 

VAP-A Antibody [Allophycocyanin]

| VAP-A Antibody [Aliophycocyanin] |   |
|----------------------------------|---|
| Product Information              |   |
| Unit Size                        | 0.1 ml  |
| Concentration                    | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                          | Store at 4C in the dark.  |
| Clonality                        | Polyclonal  |
| Preservative                     | 0.05% Sodium Azide  |
| Isotype                          | IgG   |
| Conjugate                        | Allophycocyanin   |
| Purity                           | Antigen and protein A Affinity-purified   |
| Buffer                           | PBS   |
| Product Description              |   |
| Host                             | Rabbit  |
| Gene ID                          | 9218  |
| Gene Symbol                      | VAPA  |
| Species                          | Human   |
| Immunogen                        | Produced in rabbits immunized with E. coli-derived Human VAP-A fragment.                    |
| Product Application Details      |   |
| Applications                     | Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                       |
| Recommended Dilutions            | Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                       |
|                                  |   |

Optimal dilution of this antibody should be experimentally determined.
