### NBP2-98845MFV500

**Application Notes** 

PRDM14 Antibody [mFluor Violet 500 SE]

| T NDM14 Antibody [mi ldof violet 500 SE] |   |
|--|---|
| Product Information                      |   |
| Unit Size                                | 0.1 ml  |
| Concentration                            | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                                  | Store at 4C in the dark.  |
| Clonality                                | Polyclonal  |
| Preservative                             | 0.05% Sodium Azide  |
| Isotype                                  | IgG   |
| Conjugate                                | mFluor Violet 500 SE  |
| Purity                                   | Antigen and protein A Affinity-purified   |
| Buffer                                   | 50mM Sodium Borate  |
| Product Description                      |   |
| Host                                     | Rabbit  |
| Gene ID                                  | 63978   |
| Gene Symbol                              | PRDM14  |
| Species                                  | Human   |
| Immunogen                                | Produced in rabbits immunized with a synthetic peptide corresponding to the C-terminus of the Human PRDM14.   |
| Notes                                    | mFluor(TM) is a trademark of AAT Bioquest, Inc. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |
| Product Application Details              |   |
| Applications                             | Western Blot  |
| Recommended Dilutions                    | Western Blot  |
|  |   |

Optimal dilution of this antibody should be experimentally determined.
