## NBP2-98888V

DEK Antibody [DyLight 405]

| DEK Antibody [Dylight 405]  |   |
|-----------------------------|---|
| Product Information         |   |
| Unit Size                   | 0.1 ml  |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                 |
| Storage                     | Store at 4C in the dark.  |
| Clonality                   | Polyclonal  |
| Preservative                | 0.05% Sodium Azide  |
| Isotype                     | IgG   |
| Conjugate                   | DyLight 405   |
| Purity                      | Antigen and protein A Affinity-purified   |
| Buffer                      | 50mM Sodium Borate  |
| Product Description         |   |
| Host                        | Rabbit  |
| Gene ID                     | 7913  |
| Gene Symbol                 | DEK   |
| Species                     | Human   |
| Immunogen                   | Produced in rabbits immunized with a synthetic peptide corresponding to the center region of the Human DEK. |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                           |
| Product Application Details |   |
| Applications                | Western Blot, Immunocytochemistry/Immunofluorescence, Immunoprecipitation                                   |
| Recommended Dilutions       | Western Blot, Immunocytochemistry/Immunofluorescence, Immunoprecipitation                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                      |
|                             |   |
