## NBP2-98973JF525

**Application Notes** 

HSD17B4 Antibody [Janelia Fluor® 525]

| nod 1764 Antibody (Janelia Fluor® 525) |   |
|--|---|
| Product Information                    |   |
| Unit Size                              | 0.1 ml  |
| Concentration                          | Please see the vial label for concentration. If unlisted please contact technical services.                     |
| Storage                                | Store at 4C in the dark.  |
| Clonality                              | Polyclonal  |
| Preservative                           | 0.05% Sodium Azide  |
| Isotype                                | IgG   |
| Conjugate                              | Janelia Fluor 525   |
| Purity                                 | Antigen and protein A Affinity-purified   |
| Buffer                                 | 50mM Sodium Borate  |
| Product Description                    |   |
| Host                                   | Rabbit  |
| Gene ID                                | 3295  |
| Gene Symbol                            | HSD17B4   |
| Species                                | Human   |
| Immunogen                              | Produced in rabbits immunized with a synthetic peptide corresponding to the center region of the Human HSD17B4. |
| Notes                                  | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                           |
| Product Application Details            |   |
| Applications                           | Immunohistochemistry-Paraffin   |
| Recommended Dilutions                  | Immunohistochemistry-Paraffin   |
|  |   |

Optimal dilution of this antibody should be experimentally determined.
