GCFC1 Antibody [DyLight 755]

| Product Information         |                                                                                                              |
|-----------------------------|--------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                       |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                  |
| Storage                     | Store at 4C in the dark.                                                                                     |
| Clonality                   | Polyclonal                                                                                                   |
| Preservative                | 0.05% Sodium Azide                                                                                           |
| Isotype                     | IgG                                                                                                          |
| Conjugate                   | DyLight 755                                                                                                  |
| Purity                      | Antigen and protein A Affinity-purified                                                                      |
| Buffer                      | 50mM Sodium Borate                                                                                           |
| Product Description         |                                                                                                              |
| Host                        | Rabbit                                                                                                       |
| Gene ID                     | 94104                                                                                                        |
| Gene Symbol                 | PAXBP1                                                                                                       |
| Species                     | Human                                                                                                        |
| Immunogen                   | Produced in rabbits immunized with a synthetic peptide corresponding to the center region of the Human GCFC1 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                            |
| Product Application Details |                                                                                                              |
| Applications                | Western Blot                                                                                                 |
| Recommended Dilutions       | Western Blot                                                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                       |
