**NBP3-00217PE**

ABHD14B Antibody [PE]

| Product Information         |                                                                                                           |
|-----------------------------|-----------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                    |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.               |
| Storage                     | Store at 4C in the dark.                                                                                  |
| Clonality                   | Polyclonal                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                        |
| Isotype                     | IgG                                                                                                       |
| Conjugate                   | PE                                                                                                        |
| Purity                      | Antigen and protein A Affinity-purified                                                                   |
| Buffer                      | PBS                                                                                                       |
| Product Description         |                                                                                                           |
| Host                        | Rabbit                                                                                                    |
| Gene ID                     | 84836                                                                                                     |
| Gene Symbol                 | ABHD14B                                                                                                   |
| Species                     | Human                                                                                                     |
| Immunogen                   | Produced in rabbits immunized with purified, recombinant Human ABHD14B (Uniprot#: Q96IU4-1; Met1-Gln210). |
| Product Application Details |                                                                                                           |
| Applications                | ELISA, Immunohistochemistry-Paraffin                                                                      |
| Recommended Dilutions       | ELISA, Immunohistochemistry-Paraffin                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                    |
