| Clonality                   | Polyclonal                                                                                                                                                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                                    |
| Isotype                     | IgG                                                                                                                                                                                                                                   |
| Conjugate                   | mFluor Violet 500 SE                                                                                                                                                                                                                  |
| Purity                      | Antigen and protein A Affinity-purified                                                                                                                                                                                               |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                                    |
| Product Description         |                                                                                                                                                                                                                                       |
| Host                        | Rabbit                                                                                                                                                                                                                                |
| Gene ID                     | 1933                                                                                                                                                                                                                                  |
| Gene Symbol                 | EEF1B2                                                                                                                                                                                                                                |
| Species                     | Human                                                                                                                                                                                                                                 |
| Immunogen                   | Produced in rabbits immunized with purified, recombinant Human EEF1B2 (Accession#: P24534; Met1-Ile225)                                                                                                                               |
| Notes                       | mFluor(TM) is a trademark of AAT Bioquest, Inc. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |
| Product Application Details |                                                                                                                                                                                                                                       |
| Applications                | Western Blot, ELISA, Immunohistochemistry-Paraffin, Immunoprecipitation                                                                                                                                                               |
| Recommended Dilutions       | Western Blot, ELISA, Immunoprecipitation, Immunohistochemistry-Paraffin                                                                                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                |
