**Application Notes** 

CAPRIN2 Antibody [Janelia Fluor® 635]

| CAPRINZ Antibody [Janella Fluor® 635] |   |
|---------------------------------------|---|
| Product Information                   |   |
| Unit Size                             | 0.1 ml  |
| Concentration                         | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                               | Store at 4C in the dark.  |
| Clonality                             | Polyclonal  |
| Preservative                          | 0.05% Sodium Azide  |
| Isotype                               | IgG   |
| Conjugate                             | Janelia Fluor 635   |
| Purity                                | Antigen and protein A Affinity-purified   |
| Buffer                                | 50mM Sodium Borate  |
| Product Description                   |   |
| Host                                  | Rabbit  |
| Gene ID                               | 65981   |
| Gene Symbol                           | CAPRIN2   |
| Species                               | Human   |
| Immunogen                             | Produced in rabbits immunized with E. coli-derived Human CAPRIN2 fragment.                  |
| Notes                                 | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.       |
| Product Application Details           |   |
| Applications                          | Immunohistochemistry-Paraffin   |
| Recommended Dilutions                 | Immunohistochemistry-Paraffin   |
|                                       |   |

Optimal dilution of this antibody should be experimentally determined.
