| Purity                      | Protein A purified                                                                                                                                                                                                      |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                      |
| Product Description         |                                                                                                                                                                                                                         |
| Host                        | Mouse                                                                                                                                                                                                                   |
| Species                     | E. coli                                                                                                                                                                                                                 |
| Immunogen                   | This antibody was produced from a hybridoma resulting from the fusion of a mouse myeloma with B cells obtained from a mouse immunized with purified, recombinant Aconitate hydratase B (Uniprot#: P36683; Met1-Val865). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                       |
| Product Application Details |                                                                                                                                                                                                                         |
| Applications                | Sandwich ELISA Detection                                                                                                                                                                                                |
| Recommended Dilutions       | Sandwich ELISA Detection                                                                                                                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                  |
