| Host                        | Mouse                                                                                                                                                                                                          |
| Gene ID                     | 84289                                                                                                                                                                                                          |
| Gene Symbol                 | ING5                                                                                                                                                                                                           |
| Species                     | Human                                                                                                                                                                                                          |
| Reactivity Notes            | No cross-reactivity in ELISA with:<br/><br/>E.coli cell lysate                                                                                                                                                 |
| Specificity/Sensitivity     | No cross-reactivity in ELISA with:<br><br>E.coli cell lysate                                                                                                                                                   |
| Immunogen                   | This antibody was produced from a hybridoma resulting from the fusion of a mouse myeloma with B cells obtained from a mouse immunized with purified, recombinant Human ING5 (Uniprot#: Q8WYH8-2; Glu36-Gln84). |
| Product Application Details |                                                                                                                                                                                                                |
| Applications                | ELISA                                                                                                                                                                                                          |
| Recommended Dilutions       | ELISA                                                                                                                                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                         |
