**NBP3-06466PCP**

HIV-1 Gag p24 Antibody [PerCP]

| Product Information         |                                                                                                                  |
|-----------------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                           |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                      |
| Storage                     | Store at 4C in the dark.                                                                                         |
| Clonality                   | Polyclonal                                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                                               |
| Isotype                     | IgG                                                                                                              |
| Conjugate                   | PerCP                                                                                                            |
| Purity                      | Antigen and protein A Affinity-purified                                                                          |
| Buffer                      | PBS                                                                                                              |
| Product Description         |                                                                                                                  |
| Host                        | Rabbit                                                                                                           |
| Gene ID                     | 155030                                                                                                           |
| Gene Symbol                 | gag                                                                                                              |
| Species                     | Virus                                                                                                            |
| Reactivity Notes            | Human Immunodeficiency Virus type 1                                                                              |
| Immunogen                   | Produced in rabbits immunized with purified, recombinant HIV-1 Gag p24 (Accession#: ACI05538.1; Pro 133-Leu 363) |
| Product Application Details |                                                                                                                  |
| Applications                | Western Blot, ELISA                                                                                              |
| Recommended Dilutions       | Western Blot, ELISA                                                                                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                           |
