**NBP3-07546-100ug**

Giardia lamblia Antibody (BB1.1E5)

**Product Information**

|                      |                          |
|----------------------|--------------------------|
| <b>Unit Size</b>     | 100 ug                   |
| <b>Concentration</b> | 0.2 mg/ml                |
| <b>Storage</b>       | Store at 4C.             |
| <b>Clonality</b>     | Monoclonal               |
| <b>Clone</b>         | BB1.1E5                  |
| <b>Preservative</b>  | 0.05% Sodium Azide       |
| <b>Isotype</b>       | IgG1 Kappa               |
| <b>Purity</b>        | Protein A or G purified  |
| <b>Buffer</b>        | 10 mM PBS with 0.05% BSA |

**Product Description**

|                         |                                                                                                                                                                                                                                                                                              |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>      | 200ug/ml of antibody purified from Bioreactor Concentrate by Protein A or G. Prepared in 10 mM PBS with 0.05% BSA & 0.05% azide. Also available WITHOUT BSA & azide at 1.0 mg/ml. (NBP3-08870)<br><br>Antibody with azide - store at 2 to 8C. Antibody without azide - store at -20 to -80C. |
| <b>Host</b>             | Mouse                                                                                                                                                                                                                                                                                        |
| <b>Species</b>          | Protozoa                                                                                                                                                                                                                                                                                     |
| <b>Reactivity Notes</b> | Giardia lamblia                                                                                                                                                                                                                                                                              |
| <b>Immunogen</b>        | Giardia lamblia                                                                                                                                                                                                                                                                              |

**Product Application Details**

|                              |                                                                                                                                |
|------------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| <b>Applications</b>          | ELISA, Immunocytochemistry/ Immunofluorescence                                                                                 |
| <b>Recommended Dilutions</b> | ELISA 1-5 ug/ml, Immunocytochemistry/ Immunofluorescence 1-2 ug/ml                                                             |
| <b>Application Notes</b>     | ELISA: For coating use Ab at 1-5ug/ml, order Ab without BSA. Optimal dilution for a specific application should be determined. |
