CD79B Antibody (IGB/1842) [FITC]

| <b>Product Information</b> |                                                                                             |
|----------------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>           | 100 ul                                                                                      |
| <b>Concentration</b>       | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>             | Store at 4C in the dark.                                                                    |
| <b>Clonality</b>           | Monoclonal                                                                                  |
| <b>Clone</b>               | IGB/1842                                                                                    |
| <b>Preservative</b>        | 0.05% Sodium Azide                                                                          |
| <b>Isotype</b>             | IgG2b Kappa                                                                                 |
| <b>Conjugate</b>           | FITC                                                                                        |
| <b>Purity</b>              | Protein A or G purified                                                                     |
| <b>Buffer</b>              | PBS                                                                                         |

| <b>Product Description</b> |                                                                                                              |
|----------------------------|--------------------------------------------------------------------------------------------------------------|
| <b>Host</b>                | Mouse                                                                                                        |
| <b>Gene ID</b>             | 974                                                                                                          |
| <b>Gene Symbol</b>         | CD79B                                                                                                        |
| <b>Species</b>             | Human                                                                                                        |
| <b>Marker</b>              | B-Cell Marker                                                                                                |
| <b>Immunogen</b>           | Recombinant human CD79B protein fragment (around aa29-159) (exact sequence is proprietary) (Uniprot: P40259) |

| <b>Product Application Details</b> |                                                                        |
|------------------------------------|------------------------------------------------------------------------|
| <b>Applications</b>                | ELISA, Immunohistochemistry-Paraffin                                   |
| <b>Recommended Dilutions</b>       | ELISA, Immunohistochemistry-Paraffin                                   |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined. |
