ZNF408 Antibody (PCRP-ZNF408-1E5) [DyLight 755]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | PCRP-ZNF408-1E5                                                                             |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b                                                                                       |
| Conjugate           | DyLight 755                                                                                 |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                   |
|---------------------|-----------------------------------------------------------------------------------|
| Host                | Mouse                                                                             |
| Gene ID             | 79797                                                                             |
| Gene Symbol         | ZNF408                                                                            |
| Species             | Human                                                                             |
| Immunogen           | Recombinant full-length human ZNF408 protein (Uniprot: Q9H9D4)                    |
| Notes               | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries. |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Flow Cytometry, Protein Array                            |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Protein Array                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
