# NBP3-08400V

SOX9 Antibody (SOX9/3916R) [Dyl jaht 405]

| SOX9 Antibody (SOX9/3916R) [DyLight 405] |  |
|--|--|
| Product Information                      |  |
| Unit Size                                | 100 ul   |
| Concentration                            | Please see the vial label for concentration. If unlisted please contact technical services.                  |
| Storage                                  | Store at 4C in the dark.   |
| Clonality                                | Monoclonal   |
| Clone                                    | SOX9/3916R   |
| Preservative                             | 0.05% Sodium Azide   |
| Isotype                                  | IgG  |
| Conjugate                                | DyLight 405  |
| Purity                                   | Protein A or G purified  |
| Buffer                                   | 50mM Sodium Borate   |
| <b>Product Description</b>               |  |
| Host                                     | Rabbit   |
| Gene ID                                  | 6662   |
| Gene Symbol                              | SOX9   |
| Species                                  | Human  |
| Immunogen                                | Recombinant humanSOX9 protein fragment (around aa 393-508) (exact sequence is proprietary) (Uniprot: P48436) |
| Notes                                    | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                            |
| Product Application Details              |  |
| Applications                             | Immunohistochemistry-Paraffin  |
| Recommended Dilutions                    | Immunohistochemistry-Paraffin  |
| Amuliantiam Natan                        | Onting of diluting of this partition, also also be a superior and the determined                             |

| Product Application Details |  |
|-----------------------------|--|
| Applications                | Immunohistochemistry-Paraffin  |
| Recommended Dilutions       | Immunohistochemistry-Paraffin  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
