DDX41 Antibody (PCRP-DDX41-1B4) [Allophycocyanin]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | PCRP-DDX41-1B4                                                                              |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b                                                                                       |
| Conjugate           | Allophycocyanin                                                                             |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | PBS                                                                                         |

| Product Description |                                                               |
|---------------------|---------------------------------------------------------------|
| Host                | Mouse                                                         |
| Gene ID             | 51428                                                         |
| Gene Symbol         | DDX41                                                         |
| Species             | Human                                                         |
| Reactivity Notes    | Predicted to work in Mouse and Rat.                           |
| Immunogen           | Recombinant full-length human DDX41 protein (Uniprot: Q9UJV9) |

| Product Application Details |                                                                                     |
|-----------------------------|-------------------------------------------------------------------------------------|
| Applications                | Western Blot, Flow Cytometry, Immunocytochemistry/Immunofluorescence, Protein Array |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunocytochemistry/Immunofluorescence, Protein Array |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.              |
