### NBP3-08537IR

SDHB Antibody (SDHB/2382) [DyLight 755]

| Product Information          |   |
|------------------------------|---|
| Unit Size                    | 100 ul  |
| Concentration                | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                      | Store at 4C in the dark.  |
| Clonality                    | Monoclonal  |
| Clone                        | SDHB/2382   |
| Preservative                 | 0.05% Sodium Azide  |
| Isotype                      | IgG2b Kappa   |
| Conjugate                    | DyLight 755   |
| Purity                       | Protein A or G purified   |
| Buffer                       | 50mM Sodium Borate  |
| Product Description          |   |
| Host                         | Mouse   |
| Gene ID                      | 6390  |
| Gene Symbol                  | SDHB  |
| Species                      | Human   |
| Marker                       | Pheochromocytoma Marker   |
| Specificity/Sensitivity      | Succinate dehydrogenase (SDH) is Complex II in the mitochondria, vital for<br>mitochondrial electron transport, as well as Krebs cycle function. Four subunits<br>comprise the SDH protein complex: a flavochrome subunit (SDHA), an iron-<br>sulfur protein (SDHB) and two membrane-bound subunits (SDHC and SDHD)<br>anchored to the inner mitochondrial membrane. The SDH complex functions as a<br>tumor suppressor. Loss of any subunit proteins lead to destabilization of the<br>complex and tumor formation. Antibody to SDHB is helpful in the identification of<br>phaeochromocytomas, paragangliomas and GIST. |
| Immunogen                    | Recombinant fragment (around aa 165-273) of human SDHB protein (exact sequence is proprietary) (Uniprot: P21912)  |
| Notes                        | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.   |
| Product Application Details  |   |
| Applications                 | Western Blot, Protein Array   |
| <b>Recommended Dilutions</b> | Western Blot, Protein Array   |
| Application Notes            | Optimal dilution of this antibody should be experimentally determined.  |
|                              |   |
