STAT5b Antibody (STAT5B/2657) [Alexa Fluor® 700]

| Product Information | STAT5b Antibody (STAT5B/2657 |) [Alexa Fluor® 700] |
|---|------------------------------------|---|
| Concentration Please see the vial label for concentration. If unlisted please contact technical services. Storage Store at 4C in the dark. Clonality Monoclonal Clone STAT5B/2657 Preservative 0.05% Sodium Azide Isotype IgG Conjugate Alexa Fluor 700 Purity Protein A or G purified Buffer 50mM Sodium Borate Product Description Host Mouse Gene ID 6777 Gene Symbol STAT5B Species Human Immunogen Recombinant full-length human STAT5b protein (Uniprot: P51692) Notes Alexa Fluor (R) products are provided under an intellectual property license from Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchase product and components of the product or in research conducted by the buyer (whether the buyer is an academic or for-profit entity). The sale of this product is expressly conditioned on the buyer not using the product or its components, or any materials made using the product or its components, in any activity to generate revenue, which may include, but is not limited to use of the product or its components: (i) in manufacturing; (ii) to provide a service, information, or data in return for payment; (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for resale, regardless of whether they are resold for use in research. For information on purchasing a license to this product or this conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. | Product Information | |
| Storage Store at 4C in the dark. Clonality Monoclonal Clone STAT5B/2657 Preservative 0.05% Sodium Azide Isotype IgG Conjugate Alexa Fluor 700 Purity Protein A or G purified Buffer 50mM Sodium Borate Product Description Host Mouse Gene ID 6777 Gene Symbol STAT5B Species Human Immunogen Recombinant full-length human STAT5b protein (Uniprot: P51692) Notes Alexa Fluor (R) products are provided under an intellectual property license from Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product and components of the product only in research conducted by the buyer (whether the buyer is an academic or for-profit enlity). The sale of this product is expressly conditioned on the buyer not using the product or its components, or any materials made using the product or its components, in any activity to generate revenue, which may include, but is not limited to use of the product or its components: (i) in manufacturing; (ii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for resale, regardless of whether they are resold for use in research. For information on purchasing a license to this product for purposes; or (iv) for resale, regardless of whether they are resold for use in research. For information on purchasing a license to this product for purposes; or (iv) for resale, regardless of whether they are resold for use in research. For information on purchasing a license to this product for purposes; or (iv) for resale, regardless of whether they are resold for use in research. For information on purchasing a license to this product for purposes; or (iv) for resale, regardless of whether they are resold for use in research. For information on purchasing a license to this product for purposes or the than as described above, contact Life Technologies Corporation, 5791 Van Allen Way, Carlsbad, CA 92008 USA or outlicensing@lifetech.com. This conjugate is made on demand. Actual recovery may vary from the stated volume | Unit Size | 100 ul |
| Clone STAT5B/2657 Preservative 0.05% Sodium Azide Isotype IgG Conjugate Alexa Fluor 700 Purity Protein A or G purified Buffer 50mM Sodium Borate Product Description Host Mouse Gene ID 6777 Gene Symbol STAT5B Species Human Immunogen Recombinant full-length human STAT5b protein (Uniprot: P51692) Notes Alexa Fluor (R) products are provided under an intellectual property license from Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product and components of the product only in research conducted by the buyer (whether the buyer is an academic or for-profit entity). The sale of this product is expressly conditioned on the buyer not using the product or its components; or any materials made using the product or its components, in any activity to generate revenue, which may include, but is not limited to use of the product or its components: (i) in manufacturing; (ii) to provide a service, information, or data in return for payment, (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for resale, regardless of whether they are resold for use in research. For information on purchasing a license to this product for purposes, or (iv) for resale, regardless of whether they are resold for use in research. For information on purchasing a license to this product for purposes; or (iv) for resale, regardless of whether they are resold for use in research. For information on purchasing a license to this product for purposes is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. | Concentration | · |
| Clone STAT5B/2657 Preservative 0.05% Sodium Azide Isotype IgG Conjugate Alexa Fluor 700 Purity Protein A or G purified Buffer 50mM Sodium Borate Product Description Host Mouse Gene ID 6777 Gene Symbol STAT5B Species Human Immunogen Recombinant full-length human STAT5b protein (Uniprot: P51692) Notes Alexa Fluor (R) products are provided under an intellectual property license from Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product and components of the product only in research conducted by the buyer (whether the buyer is an academic or for-profit entity). The sale of this product is expressly conditioned on the buyer not using the product or its components: (i) in manufacturing; (ii) to provide a service, information, or adat in return for payment; (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for resale, regardless of whether they are resold for use in research. CA 92008 USA or outlicensing @lifetech.com. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. | Storage | Store at 4C in the dark. |
| Preservative 0.05% Sodium Azide Isotype IgG Conjugate Alexa Fluor 700 Purity Protein A or G purified Buffer 50mM Sodium Borate Product Description Host Mouse Gene ID 6777 Gene Symbol STAT5B Species Human Immunogen Recombinant full-length human STAT5b protein (Uniprot: P51692) Notes Alexa Fluor (R) products are provided under an intellectual property license from Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product and components of the product only in research conducted by the buyer (whether the buyer is an academic or for-profit entity). The sale of this product is expressly conditioned on the buyer not using the product or its components, or any materials made using the product or its components; (i) in manufacturing; (ii) to provide a service, information, or data in return for payment; (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for resale, regardless of whether they are resold for use in research. For information on purchasing a license to this product for purposes other than as described above, contact Life Technologies Corporation, 5791 Van Allen Way, Carlsbad, CA 92008 USA or outlicensing @lifetech.com. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. | Clonality | Monoclonal |
