### NBP3-08917MFV450

**Application Notes** 

| Albumin Antibody (ALB/6411R) [ | mFluor Violet 450 SE]   |
|--------------------------------|---|
| Product Information            |   |
| Unit Size                      | 0.1 ml  |
| Concentration                  | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                        | Store at 4C in the dark.  |
| Clonality                      | Monoclonal  |
| Clone                          | ALB/6411R   |
| Preservative                   | 0.05% Sodium Azide  |
| Isotype                        | IgG   |
| Conjugate                      | mFluor Violet 450 SE  |
| Purity                         | Protein A or G purified   |
| Buffer                         | 50mM Sodium Borate  |
| Product Description            |   |
| Host                           | Rabbit  |
| Gene ID                        | 213   |
| Gene Symbol                    | ALB   |
| Species                        | Human   |
| Specificity/Sensitivity        | This monoclonal antibody is absolutely specific to albumin and does not show any significant cross-reaction with other human proteins. Albumin is a soluble, monomeric protein, which comprises about one half of the blood serum protein. Albumin functions primarily as a carrier protein for steroids, fatty acids, and thyroid hormones and plays a role in stabilizing extracellular fluid volume. Albumin is synthesized in the liver as preproalbumin, which has an N-terminal peptide that is removed before the nascent protein is released from the rough endoplasmic reticulum. The product, proalbumin, is in turn cleaved in the Golgi vesicles to produce the secreted form of albumin. |
| Immunogen                      | Recombinant full-length human Albumin protein (Uniprot: P02768)   |
| Notes                          | mFluor(TM) is a trademark of AAT Bioquest, Inc. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet.   |
| Product Application Details    |   |
| Applications                   | Western Blot, Immunohistochemistry-Paraffin, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry  |
| Recommended Dilutions          | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/<br>Immunofluorescence, Immunohistochemistry-Paraffin  |

Optimal dilution of this antibody should be experimentally determined.
