services. Storage Store at 4C in the dark. Clonality Monoclonal Clone VWF/1859R	
Clonality Monoclonal Clone VWF/1859R	
Clone VWF/1859R	
Preservative 0.05% Sodium Azide	
Isotype IgG	
Conjugate Alexa Fluor 750	
Purity Protein A purified	
Buffer 50mM Sodium Borate	
Product Description	
Host Rabbit	
Gene ID 7450	
Gene Symbol VWF	
Species Human	
Marker Endothelial Marker	
von Willebrand Factor (vWF) is a multimeric glycoprotein that is found in endothelial cells, plasma and platelets. It acts as a carrier protein for Factor V and promotes platelet adhesion and aggregation. vWF undergoes a variety of posttranslational modifications that influence the affinity and availability for Factor VIII, including cleavage of the propeptide and formation of N-terminal disulfide bonds. This antibody helps to establish the endothelial nature of some lesions disputed histogenesis, e.g. Kaposis sarcoma and cardiac myxoma. It is widel used for differentiating vascular lesions from those of other tissue differentiation within a panel of other vascular markers although not all tumors of endothelial differentiation contain this antigen.	
Immunogen Recombinant fragment of human Von Willebrand Factor protein (aa1815-193 (exact sequence is proprietary) (Uniprot: P04275)	

Notes

Alexa Fluor (R) products are provided under an intellectual property license from Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product and components of the product only in research conducted by the buyer (whether the buyer is an academic or for-profit entity). The sale of this product is expressly conditioned on the buyer not using the product or its components, or any materials made using the product or its components, in any activity to generate revenue, which may include, but is not limited to use of the product or its components: (i) in manufacturing; (ii) to provide a service, information, or data in return for payment; (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for resale, regardless of whether they are resold for use in research. For information on purchasing a license to this product for purposes other than as described above, contact Life Technologies Corporation, 5791 Van Allen Way, Carlsbad, CA 92008 USA or outlicensing@lifetech.com. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet.

Product Application Details	
Applications	Western Blot, Immunohistochemistry-Paraffin
Recommended Dilutions	Western Blot, Immunohistochemistry-Paraffin
Application Notes	Optimal dilution of this antibody should be experimentally determined.
