## NBP3-12024AF350

Histone H3 [Trimethyl Lys27] Antibody (BT164) [Alexa Fluor® 350]

Product Information		-
Concentration Please see the vial label for concentration. If unlisted please contact technical services.  Storage Store at 4C in the dark.  Clonality Monoclonal Clone BT164 Preservative 0.05% Sodium Azide Isotype IgG2b Kappa Conjugate Alexa Fluor 350 Purity Protein A purified Buffer 50mM Sodium Borate  Product Description Host Mouse Gene ID 126961 Gene Symbol H3C14 Species Human Specificity/Sensitivity The epitope of BT164 was mapped in the N-terminal tail of histone H3 (27-KSAPAT-32) and included the apoptosis-induced trimethylation of K27. Immunogen BT164 is a mice-derived lupus antibody that was established by selection on apoptotic chromatin. Notes  Alexa Fluor (R) products are provided under an intellectual property license from Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product and components of the product only in research conducted by the buyer (whether the buyer is an academic or for-profit entity). The sale of this product is expressly conditioned on the buyer not using the product or its components, or any materials made using the product or its components, or all products and the product only in research conducted by the buyer (whether the buyer is an academic or for-profit entity). The sale of this product are revenue, which may include, but is not limited to use of the product or its components; or in manufacturing; (ii) to provide a service, information, or data in return for payment, (iii) for therapeutic, diagnostic or prophylactic purposes or (iv) for resale, regardless of whether they are resold for use in research. For information on purchasing a license to this product for purposes other than as described above, contact Life Technologies Corporation, 5791 Van Allen Way, Carlsbad, CA 92008 USA or outlicensing@lifetech.com. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet.
