## NBP3-12033FR

II -9R Antihody (AH9R2) [Dyl jaht 680]

| IL-9R Antibody (AH9R2) [DyLight 680] |  |
|--------------------------------------|--|
| Product Information                  |  |
| Unit Size                            | 0.1 ml   |
| Concentration                        | Please see the vial label for concentration. If unlisted please contact technical services.                      |
| Storage                              | Store at 4C in the dark.   |
| Clonality                            | Monoclonal   |
| Clone                                | AH9R2  |
| Preservative                         | 0.05% Sodium Azide   |
| Isotype                              | IgG Kappa  |
| Conjugate                            | DyLight 680  |
| Purity                               | Protein A purified   |
| Buffer                               | 50mM Sodium Borate   |
| Product Description                  |  |
| Host                                 | Rabbit   |
| Gene ID                              | 3581   |
| Gene Symbol                          | IL9R   |
| Species                              | Human  |
| Specificity/Sensitivity              | This antibody binds specifically to the human IL-9 receptor alpha chain.   |
| Immunogen                            | This antibody was raised by immunising DBA/2 mice with P815 mastocytoma cells transfected with human IL-9R cDNA. |
| Notes                                | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                |
| Product Application Details          |  |
| Applications                         | Flow Cytometry, Immunocytochemistry/Immunofluorescence   |
| Recommended Dilutions                | Flow Cytometry, Immunocytochemistry/Immunofluorescence   |
|                                      |  |

| <b>Product Application Details</b> |  |
|------------------------------------|--|
| Applications                       | Flow Cytometry, Immunocytochemistry/Immunofluorescence                 |
| Recommended Dilutions              | Flow Cytometry, Immunocytochemistry/Immunofluorescence                 |
| Application Notes                  | Optimal dilution of this antibody should be experimentally determined. |
