## DEP Domain Containing 5 Antibody

| Product Information |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                                           |
| Concentration       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| Clonality           | Polyclonal                                                                                                       |
| Preservative        | 0.025% Proclin 300                                                                                               |
| Isotype             | IgG                                                                                                              |
| Purity              | Antigen Affinity-purified                                                                                        |
| Buffer              | PBS, 20% Glycerol (pH7)                                                                                          |

| Product Description |                                                                                                                                           |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | Centrifuge briefly prior to opening.                                                                                                      |
| Host                | Rabbit                                                                                                                                    |
| Gene Symbol         | DEPDC5                                                                                                                                    |
| Species             | Human                                                                                                                                     |
| Immunogen           | Recombinant protein encompassing a sequence within the center region of human DEP Domain Containing 5. The exact sequence is proprietary. |

| Product Application Details |              |
|-----------------------------|--------------|
| Applications                | Western Blot |
| Recommended Dilutions       | Western Blot |

**Images**

Western Blot: DEP Domain Containing 5 Antibody [NBP3-13258] - Various whole cell extracts (30 ug) were separated by 5% SDS-PAGE, and the membrane was blotted with DEP Domain Containing 5 antibody (NBP3-13258) diluted at 1:500. The HRP-conjugated anti-rabbit IgG antibody (NBP2-19301) was used to detect the primary antibody, and the signal was developed with Trident ECL plus-Enhanced.
