Serpine B5/Maspin Antibody (SERPINB5/4977) [FITC]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | SERPINB5/4977                                                                               |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1 Kappa                                                                                  |
| Conjugate           | FITC                                                                                        |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | PBS                                                                                         |

| Product Description |                                                                                                                           |
|---------------------|---------------------------------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                                                     |
| Gene ID             | 5268                                                                                                                      |
| Gene Symbol         | SERPINB5                                                                                                                  |
| Species             | Human                                                                                                                     |
| Reactivity Notes    | 0                                                                                                                         |
| Immunogen           | Recombinant fragment of human Serpin B5/Maspin protein (around aa1-200) (exact sequence is proprietary) (Uniprot: P36952) |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Protein Array             |
| Recommended Dilutions       | Western Blot, Immunohistochemistry-Paraffin, Protein Array             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
