**NBP3-14224R**

FOXI1 Antibody (PCRP-FOX L1-1F8) [DyLight 550]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | PCRP-FOX L1-1F8                                                                             |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | DyLight 550                                                                                 |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                                            |
| Gene ID             | 2299                                                                                                             |
| Gene Symbol         | FOXI1                                                                                                            |
| Species             | Human                                                                                                            |
| Reactivity Notes    | Predicted to react in Rat.                                                                                       |
| Immunogen           | Recombinant fragment (around aa104-258) of human FOXI1 protein (exact sequence is proprietary) (Uniprot: Q12951) |
| Notes               | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                |

| Product Application Details |                                                                                                                                         |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Applications                | Western Blot, Flow Cytometry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin, Immunoprecipitation, Protein Array |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunocytochemistry/Immunofluorescence, Immunoprecipitation, Immunohistochemistry-Paraffin, Protein Array |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                  |
