GCET2 Antibody (HGAL/830) [Biotin]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | HGAL/830                                                                                    |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1 Kappa                                                                                  |
| Conjugate           | Biotin                                                                                      |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | PBS                                                                                         |

| Product Description |                                                                                                             |
|---------------------|-------------------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                                       |
| Gene ID             | 257144                                                                                                      |
| Gene Symbol         | GCSAM                                                                                                       |
| Species             | Human                                                                                                       |
| Reactivity Notes    | 0                                                                                                           |
| Marker              | Human Germinal Center Associated Lymphoma Marker                                                            |
| Immunogen           | Recombinant fragment (178 Amino acid residues from around aa1-200) of human GCET2 protein (Uniprot: Q8N6F7) |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Immunohistochemistry-Paraffin                                          |
| Recommended Dilutions       | Immunohistochemistry-Paraffin                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
