#### NBP3-14568MFV610

Syndecan-1/CD138 Antibody (B-A38) [mFluor Violet 610 SE]

Product Information           Unit Size         0.1 ml           Concentration         Please see the vial label for concentration. If unlisted please contact technical services.           Storage         Store at 4C in the dark.           Clonality         Monoclonal           Clone         B-A38           Preservative         0.05% Sodium Azide           Isotype         IgG1 Kappa           Conjugate         mFluor Violet 610 SE           Purity         Affinity purified           Buffer         50mM Sodium Borate           Product Description           Host         Mouse           Gene ID         6382           Gene Symbol         SDC1           Species         Human           Species         Human           Species         Human           Specificity/Sensitivity         Recognises Syndecan-1, the heparan sulfate proteoglycan, a 65-70 kDa protein           Immunogen         U266 cell line           Notes         mFluor(TM) is a trademark of AAT Bioquest, Inc. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet.	, ,	<u> </u>
