## Caspase-7 Antibody (S03-0F2)

### NBP3-14866-100ul

Unit Size: 100 ul

Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.

| <b>Unit Size</b>               | 100 ul                                                                                      |
| <b>Concentration</b>           | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>                 | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.      |
| <b>Clonality</b>               | Monoclonal                                                                                  |
| <b>Clone</b>                   | S03-0F2                                                                                     |
| <b>Preservative</b>            | 0.01% Sodium Azide                                                                          |
| <b>Isotype</b>                 | IgG                                                                                         |
| <b>Purity</b>                  | Affinity purified                                                                           |
| <b>Buffer</b>                  | 50mM Tris-Glycine (pH 7.4), 0.15M NaCl, 40% Glycerol, 0.05% BSA                             |
| <b>Target Molecular Weight</b> | 34 kDa                                                                                      |

| <b>Product Description</b> |                                                                                                                                                                                                              |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Novus Biologicals Rabbit Caspase-7 Antibody (S03-0F2) (NBP3-14866) is a recombinant monoclonal antibody validated for use in IHC and WB. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| <b>Host</b>                | Rabbit                                                                                                                                                                                                       |
| <b>Gene ID</b>             | 840                                                                                                                                                                                                          |
| <b>Gene Symbol</b>         | CASP7                                                                                                                                                                                                        |
| <b>Species</b>             | Human                                                                                                                                                                                                        |
| <b>Immunogen</b>           | A synthetic peptide of human Caspase-7 (Uniprot#: P55210)                                                                                                                                                    |

| <b>Product Application Details</b> |                                                                                    |
|------------------------------------|------------------------------------------------------------------------------------|
| <b>Applications</b>                | Western Blot, Immunohistochemistry-Paraffin, Immunohistochemistry                  |
| <b>Recommended Dilutions</b>       | Western Blot 1/1000, Immunohistochemistry 1/50, Immunohistochemistry-Paraffin 1:50 |

## Images

Western Blot: Caspase-7 Antibody (S03-0F2) [NBP3-14866] - Western blot detection of Caspase-7 in A549, MCF-7, 293T cell lysates using Caspase-7 Rabbit mAb (1:1000 diluted). Predicted band size: 34kDa. Observed band size: 34kDa.

Immunohistochemistry-Paraffin: Caspase-7 Antibody (S03-0F2) [NBP3-14866] - Immunohistochemistry of Caspase-7 in paraffin-embedded Human Cholangiocarcinoma using Caspase-7 Rabbit mAb at dilution 1/50
