KRIT1 Antibody (S01-6K9)

| Product Information     |                                                                                             |
|-------------------------|---------------------------------------------------------------------------------------------|
| Unit Size               | 100 ul                                                                                      |
| Concentration           | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                 | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.      |
| Clonality               | Monoclonal                                                                                  |
| Clone                   | S01-6K9                                                                                     |
| Preservative            | 0.01% Sodium Azide                                                                          |
| Isotype                 | IgG                                                                                         |
| Purity                  | Affinity purified                                                                           |
| Buffer                  | 50mM Tris-Glycine (pH 7.4), 0.15M NaCl, 40% Glycerol, 0.05% BSA                             |
| Target Molecular Weight | 84 kDa                                                                                      |

| Product Description |                                                                                                                                                                                                  |
|---------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | Novus Biologicals Rabbit KRIT1 Antibody (S01-6K9) (NBP3-15053) is a recombinant monoclonal antibody validated for use in WB. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                | Rabbit                                                                                                                                                                                           |
| Gene ID             | 889                                                                                                                                                                                              |
| Gene Symbol         | KRIT1                                                                                                                                                                                            |
| Species             | Human, Mouse                                                                                                                                                                                     |
| Immunogen           | Recombinant protein of human KRIT1 (Uniprot#: O00522)                                                                                                                                            |

| Product Application Details |                     |
|-----------------------------|---------------------|
| Applications                | Western Blot        |
| Recommended Dilutions       | Western Blot 1/1000 |

**Images**

Western Blot: KRIT1 Antibody (S01-6K9) [NBP3-15053] - Western blot detection of KRIT1 in C6, 3T3, HeLa, K562 cell lysates using KRIT1 Rabbit mAb (1:1000 diluted). Predicted band size: 84kDa. Observed band size: 84kDa.
