| <b>Gene Symbol</b>                 | ABCC2                                                                                                                                                                               |
| <b>Species</b>                     | Human                                                                                                                                                                               |
| <b>Immunogen</b>                   | This antibody was developed against Recombinant Protein corresponding to amino acids:<br>NNESSNNPSSIASFLSSITYSWYDSIILKGYKRPLTLEDVWEVDEEMKTKTLVSK<br>FETHMKRELQKARRALQRRQEKSSQQNSGAR |
| <b>Product Application Details</b> |                                                                                                                                                                                     |
| <b>Applications</b>                | Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                 |
| <b>Recommended Dilutions</b>       | Immunohistochemistry 1:20 - 1:50, Immunohistochemistry-Paraffin 1:20 - 1:50                                                                                                         |
| <b>Application Notes</b>           | For IHC-Paraffin, HIER pH 6 retrieval is recommended.                                                                                                                               |

## Images

Immunohistochemistry-Paraffin: MRP2 Antibody [NBP3-17039] - Analysis in human kidney and rectum tissues using Anti-ABCC2 antibody. Corresponding ABCC2 RNA-seq data are presented for the same tissues.

Immunohistochemistry-Paraffin: MRP2 Antibody [NBP3-17039] - Staining of human kidney shows high expression.

Immunohistochemistry-Paraffin: MRP2 Antibody [NBP3-17039] - Staining of human rectum shows low expression as expected.
