AGFG2 Antibody - BSA Free

| Product Information |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                                           |
| Concentration       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| Clonality           | Polyclonal                                                                                                       |
| Preservative        | 0.02% Sodium Azide                                                                                               |
| Isotype             | IgG                                                                                                              |
| Purity              | Affinity purified                                                                                                |
| Buffer              | PBS, pH 7.2, 40% glycerol                                                                                        |

| Product Description |                                                                                                                                                                                               |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | Novus Biologicals Rabbit AGFG2 Antibody - BSA Free (NBP3-17465) is a polyclonal antibody validated for use in IHC and WB. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                | Rabbit                                                                                                                                                                                        |
| Gene ID             | 3268                                                                                                                                                                                          |
| Gene Symbol         | AGFG2                                                                                                                                                                                         |
| Species             | Human                                                                                                                                                                                         |
| Immunogen           | This antibody was developed against Recombinant Protein corresponding to amino acids:<br>KPLRTLGLDPAPSLSVAASTSSQPVSQSHARTSQARSTQPPPHSSVKKASTDL<br>LADIGGDPFAAPQMAPAF                          |

| Product Application Details |                                                                                                              |
|-----------------------------|--------------------------------------------------------------------------------------------------------------|
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Immunohistochemistry                                            |
| Recommended Dilutions       | Western Blot 0.04-0.4 ug/ml, Immunohistochemistry 1:200 - 1:500, Immunohistochemistry-Paraffin 1:200 - 1:500 |
| Application Notes           | For IHC-Paraffin, HIER pH 6 retrieval is recommended.                                                        |

## Images

Western Blot: AGFG2 Antibody [NBP3-17465] - Lane 1: Marker [kDa] 250, 130, 95, 72, 55, 36, 28, 17, 10; Lane 2: RT4; Lane 3: U-251 MG; Lane 4: Human Plasma; Lane 5: Liver; Lane 6: Tonsil

Immunohistochemistry-Paraffin: AGFG2 Antibody [NBP3-17465] - Staining of human salivary gland shows strong cytoplasmic positivity in glandular cells.
